### WSMS CHROMEBOOK AGREEMENT

The Chromebook will be issued to your child for in-school usage when this document is signed and returned.

**DEVICE USAGE** - Chromebooks are the property of the Delanco Township School District. Students are expected to take care of the Chromebooks and use them in accordance with the district's Internet Acceptable Use Agreement (signed in September). Chromebooks are to be used at school only and are NOT to be brought home. Students are expected to carry Chromebooks in protective sleeves and use them as directed by their teachers. Students will store the devices in their homerooms at the end of the school day. Students will be responsible for plugging in the devices at the end of the day so that they are charged for the next school day.

**DAMAGE TO THE DEVICE** - Chromebooks are durable and will have protective sleeves. Students will not be held responsible for damage to the Chromebook or protective sleeve that is deemed to be accidental; however, students will be held responsible for damage that is deemed to be intentional. If Chromebooks or protective sleeves are damaged, an investigation will be conducted to determine the individuals responsible and to collect other information that is relevant to resolving the issue. Students found responsible for intentional damage to Chromebooks or protective sleeves will have disciplinary consequences and will be required to pay to repair or replace the damaged items.

**DEVICE SECURITY** - All Chromebooks have serial numbers and asset tags to match up with each student. As such, students have one specific Chromebook assigned to them. The Chromebooks are NOT allowed to leave the school building. If Chromebooks or sleeves are lost or stolen during the school day, an investigation will be conducted to determine the individuals responsible and to collect other information that is relevant to resolving the issue. Students found responsible for theft of a Chromebook or sleeve will have disciplinary consequences and will be required to return the items in the condition in which they were taken.
